

2011 CADET COMMAND AND STAFF SCHOOL MINIMUM CLOTHING NEEDS

Ensure proper fit of clothing prior to arrival. Also insure haircuts are fresh and in accordance with AFI 36-2903. No fad haircuts/styles please. The items listed below are minimum requirements and extra shirt and trousers/slacks would be useful. Washers/dryers are available. Laundry/dry cleaning service is downtown and your SASI/ASI will have to deliver and pick up. Bring 2-3 pair of your unit's approved PT gear. All candidates will need the appropriate c/Capt soft rank insignia for their shirt. Flight cap with cadet officer's insignia is required for all cadets. All shirts should have the unit patch and JROTC patch sewn on. Absolutely no electronic devices will be allowed. If brought, these will need to be collected by instructors before check-in and may be returned after graduation. There is no way we can provide uniform items to any cadet so make double sure that your cadets come with everything they will need. Do not bring pumps, ropes, or wheel hats.
